A Letter From Pastor Johnny

Church family,

We are excited to share with you the various missions projects we are committed to in 2026/2027. Each one of these projects impacts people in different ways; from providing Fire Bibles to pastors and individuals in their own language, compassion help through Convoy of Hope to places like our own Dream Center and to support missionaries around the world.

I want to say thank you for your passion to reach the lost and help the broken and hurting locally and globally. As you look through this booklet you will see that these goals are big—but together in faith with your financial commitments and with the help of the Lord we can accomplish all these missions goals.

I pray as you read about each one of these projects that you will be just as excited as I am. My good friend Pastor Dan Betzer says; “Missions is the engine that drives the Church!”

Sincerely,
Pastor Johnny

KINGDOM BUILDERS

2026-2027

World & US Missionary Support \$130,000

We believe in equipping those called to full-time ministry. These funds allow us to support at least 137 missionaries and organizations on a monthly basis.

Sioux City Dream Center \$125,000

Providing ongoing support; funding our food pantry, facility costs, staff and future services.

Convoy of Hope \$25,000

To equip the ministry to supply aid locally and globally. Our Dream Center is a Convoy of Hope strategic partner helping to supply our community where most in need.

Fire Bibles \$25,000

To bring the Gospel to every person in their heart language. In the past we have helped with the cost of translating Bibles into Russian, Armenian and Haitian. We have also aided in distributing Bibles to pastors all over the world.

Speed the Light & BGMC \$5,000 Each

We want to come alongside our students and kids in reaching their goals for missions. Speed the Light provides transportation and communication needs for our missionaries. BGMC provides evangelism materials and vital ministry resources for our missionaries.

Missionary Guest Honorariums \$6,000

Honoring our missionary guests is a high priority for Restoration Church. This allows us to give \$1,000 to 6 missionary guest speakers each year.

Strategic Partner Projects Fund \$30,000

This allows Restoration Church to fund immediate and unforeseen projects that arise throughout the year that God puts on our hearts. For example, this would allow us to act quickly in providing aid following a natural disaster, missions trip material expenses, and urgent missionary projects.
